Jesse Lore of MobilityWorks Joins NH Businesses for Social Responsibility's Board of Directors

New Hampshire Businesses for Social Responsibility (NHBSR) looks to the year ahead with promise, possibilities, and potential. Businesses and organizations in and around New Hampshire will be key to ensuring a more sustainable, thriving, and equitable future for the state. NHBSR is so honored to support and lead these efforts through dynamic programs, collaborative networking, expansive educational opportunities, and impactful events. NHBSR's Board of Directors plays a critical role in all that NHBSR does and welcomes Jesse Lore of MobilityWorks to its leadership team, knowing his passion and expertise will be valuable in guiding NHBSR forward.

Jesse Lore, MobilityWorks

Jesse Lore is a Vice President of Sales and Service for MobilityWorks. Headquartered in Londonderry, NH, with over 90 locations nationwide, MobilityWorks is a national company that provides wheelchair accessible vehicles, vehicle modifications, and home modifications for people with disabilities.

Jesse has worked serving people with disabilities his entire career, serving Easterseals in NH and NYC for 6 years before joining the Mobility Vehicle Industry in 2012. In his work in the Mobility Industry, Jesse has been instrumental in expanding transportation access nationwide, working with state and municipal regulators and fleet owners, as well as leading teams to work with veterans' agencies, disability charities and support organizations, schools, and seniors' service facilities.

At MobilityWorks, Jesse founded the Social Responsibility Committee and has championed projects including tuition reimbursement, volunteerism, and energy use reduction. In his work with Easter Seals, he developed the curriculum for passenger assistance for all NYC and DC taxi fleets.

Jesse also serves as a member of the New Hampshire Governor's State Coordinating Council for Community Transportation, representing the private sector. And, since 2019, Jesse has served on the NHBSR Measure What Matters Committee, co-hosting NHBSR's First Annual Sustainability Awards in March 2020 as well as co-hosting the Sustainability Slam in the fall of that year.

Along with his wife and two children, he leads the Seacoast's only family-friendly hip-hop band, Rock Street, which was featured in TEDx Portsmouth 2019 and in Portsmouth Living Magazine.
