## **NH Businesses for Social Responsibility (NHBSR) to Host Virtual Volunteer Fair**

On March 18, NHBSR's Volunteer Fair will spotlight the incredible work of New Hampshire's leading nonprofits. The virtual event will not only highlight the inspiring impact of these nonprofits, but will also share the many volunteer opportunities they offer for both businesses and individuals to get involved, especially during COVID.

The fair will open with a panel of local business leaders sharing insights and experience from their successful employee volunteer programs. Attendees will then be able to virtually visit nonprofit tables to learn more about the organizations that specifically interest them. Just like they would in an in-person fair, attendees will get the chance to have one-on-one conversations with participating nonprofits to learn more about their volunteer opportunities. You can register to attend the Volunteer Fair at [nhbsr.org/volunteer-fair](http://nhbsr.org/volunteer-fair).

Participating nonprofits to date include CASA of NH, Center for Women & Enterprise, NH Women's Business Center, New Hampshire Public Health Association, and United Way of Greater Nashua. Featured businesses and their volunteer programs include Hypertherm, Mascoma Bank, and Cornerstone Financial Planning.
