NHBSR's 2021 Sustainability Slam Finalists Selected

NH Businesses for Social Responsibility's 7th Annual Sustainability Slam returns to the virtual stage to offer a dynamic and engaging evening of networking, storytelling and celebration! Regarded as both THE business networking event of the fall and *the best virtual event* participants have ever attended, the Slam will be a night you won't want to miss! Leading sustainability efforts will be spotlighted in fast-paced and high-energy 90-second presentations with attendees voting for the winners in real time.

"I was inspired by the passion for sustainability, the connection to others with similar goals and the joy-filled laughter shared with the group." Mercedes Hunt, Granite State College of the 2020 virtual Slam.

2021's presenters were selected by a panel of judges based on creativity, impact and scalability.
