The advantages are easy.
Less gas = better for the environment
Happier employees*
Reduced office costs*
What about the disadvantages?
Keeping everyone in the loop
communication is more than just words
Got focus?
I guess you had to *be there*

Sertifi API update...

2:04pm Nov 4, 2010

Just wanted to drop a quick note regarding the Sertifi API. We're mostly complete with development of the API. However, we've hit a snag with the fields auto populating the forms. I'm waiting to hear from Sertifi to have them help me troubleshoot.

We'll have full status on Monday
